Editorial note: Welcome to the Journal of Investigative Dermatology (JID) SnapshotDx Quiz. In this monthly online-only quiz, the first question (“What is your diagnosis?”) relates to the clinical image above, while additional questions concern the findings reported in a JID article that provides new information about that disease entity.

The quiz questions may be found in the menu bar on the right-hand side of this page.

Questions 2 & 3 refer to the article by Sbidian et al. (2016, http://dx.doi.org/10.1016/j.jid.2016.01.025).

Detailed answers as well as a list of relevant references are available as Supplementary Material linked to this article.
