Editorial note: Welcome to the Journal of Investigative Dermatology (JID) SnapshotDx / Cells to Surgery Quiz. In this monthly online-only quiz, the first question (“What is your diagnosis?”) relates to the clinical image found above, while additional questions concern the findings reported in a JID article that provides new information about that disease entity.

The quiz questions may be found in the menu bar on the right-hand side of this page. A list of references relevant to the quiz follows the image.

Questions 2 & 3 refer to the article by Moran et al. (https://doi.org/10.1016/j.jid.2017.05.033)

Detailed answers and a list of relevant references are available as supplementary material linked to this article.
